DEADLINES

IMPORTANT
INFORMATION

PRAY AND TRUST THAT GOD WILL SUPPLY WHAT YOU NEED TO SERVE ON A MISSION TEAM

We have yet to see anyone called to serve on mission then have to stay home because of a lack of finances. In fact we witness over and over, again, the truth in the statement: "And my God will meet all your needs according to His glorious riches in Christ Jesus." (Philippians 4:19) Few people realize that this often quoted verse is actually in the context of joining God in His global mission! A promise given to the Philippian church when they partnered in mission with Paul: If you focus on engaging in God's global causes, he will meet your needs out of His glorious riches.

DEADLINES ARE IMPORTANT

In order to secure the best pricing for air travel, transportation overseas, lodging, and other logistics please honor the payment and document deadlines that have been established. We urge you to send out your support letters as soon as possible. Early support dollars will help you meet the payment deadlines. STM Coordinator, Angela Breidenbach, is available to help you with questions and concerns, and she will be in dialogue with you, as deadlines approach.

Great trip! I wanted to stay longer, as it was hard to leave strong friendships behind. I will definitely do this again.
- Katherine, Latvia Team

I felt this was a hugely beneficial experience for me. I felt myself growing in trust of God and godly people, and confidence in my own ability to be used by God.
- Nicola, Slovakia Team

Destination LATVIA

PR. RAIMONDS MEZINS -
ST. GREGORS, LATVIA

2015 LATVIA TEAM & CAMP HOSTS

DAINA ZANDBERGA -
STIKI SCHOOL, LATVIA

EEMN residential missionary, Pastor David Michael Carrillo, continues to serve faithfully the people of Latvia, through the work of the Latvian Lutheran Church and through Striki School, where he does ministry by leading morning devotions and serving the students and staff in any way that he can.

Pr. David currently lives at St. Gregors Mission Center in Saldus where he assists with ministries in hosting other missionaries from around the world, conferences, and weekend training for pastors and lay leaders as they come along side the Church in doing outreach ministry. Pr. David also leads a midweek Bible Study geared for the "un-churched" crowd which is in its second year of leading people to Christ!

EEMN is excited that, in addition to our camps at Latvia, David Michael will be providing music leadership at some of our other English language camps, in 2016!

St. Gregors Missions Center is under the direction of EEMN ministry partner, Pastor Raimonds Mezins. Pr. Mezins has a vision for expanding the outreach of St. Gregors to host more missions outreach events and to sponsor Latvian mission teams to serve neighboring former Soviet Bloc nations, like Belarus. Already, talks are underway for ministry collaboration between St. Gregors and Pr. Valery Hyrhoyk, with Belarus Lutheran Missionary Fellowship!

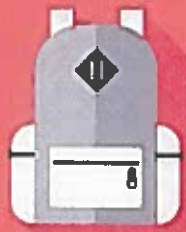

Striki School is a rural public school with an intentional, year round Christian ministry. Many students and staff

have been profoundly impacted by over ten years of EEMN English Bible Camps, and the ministry of EEMN Missionary, Pastor David Michael Carrillo.

EEMN is now assisting Striki School Principal, Daina Zandberga, in adopting Montessori teaching methods and strengthening the Christian focus. In fact, the 2015/2016 school year is the first to begin implementing the Montessori teaching model, begin with the Kindergarten class. The Montessori method will then follow the Kindergarteners, every year, as they advance to the next grade level, until every classroom at Striki School is teaching the Montessori way!

EEMN was also able to help arrange for Striki School to build a brand new playground for students of all ages to enjoy for many years to come!

All of this support is enabling Striki School to continue to grow at a time when virtually all rather rural schools in Latvia have closed due to lack of students and funding. There is opportunity for more ways to partner with Striki School, in addition to regular funding support! If you know of a Montessori-certified teacher willing to serve 1-2 years as an EEMN missionary in Latvia, please contact the EEMN office for more information.

It was a privilege to serve as Short-Term Missions Coordinator for the 2015 summer English Language Bible Camps. I commend the team leaders who took on more responsibility this year communicating with team members and doing the in-country training. I thank John Moberly who coordinated all of the team on-line training. I thank Christy Brenden for helping with team applications, sending out information packets and logging team member finances.

RUSSIA

Kondopoga hosted two weeks of camp in a public school. This was the ninth year of camp in this town located north of Petrozavodsk. There were 86 students the first week and 54 the second week. The American team enjoyed their home stays and interaction with various community groups. Debra Parks, EEMN Team Leader, has a deep love for this community and led the team with great enthusiasm.

For various reasons, no camps were held this summer in St. Petersburg or Petrozavodsk. We are trusting they will resume next summer. Many of this year's American Team attended a special weekend program hosted by Lyceum #1 commemorating this 20th year of the start of EEMN language camps in Russia. Tatiana Popyshkova, our Russian partner in Petrozavodsk, did the planning for this lovely program and repast for several former Lyceum #1 language camp participants.

LATVIA

A team of eight Americans were warmly welcomed by Diana Zandberga, Striki School Director, for the 11th year of camp there. Pastor David Michael Carrillo, EEMN missionary to Latvia, joined the team and led the music. Forty-three Latvian students participated in this camp.

Balta Church in Riga was unable to support a language camp this summer but a new opportunity opened to us at Blidene School, which is about a 20-minute drive from Saldus. The public school is beautiful, having been recently renovated. We had great support from members of the local Lutheran Church who helped make this first camp a success. We only had 19 students as many children were participating in a song and dance festival in Riga the same week.

The team stayed at St. Gregor's in Saldus during both weeks of camp. Pastor Mark Wilhelm, was a team leader in training under Bob and Donna Bogott, who have been team leaders in Latvia for the past several years.

SLOVAKIA

Our largest team of 22 Americans served in three locations in Slovakia. Phil and Erika Schmidt did an outstanding job as team leaders. The first week the team served in Puchov, where 73 students attended. Two team members participated in a new Teen Camp in which there were 15 students. During the second week in Vronov, 78 students took part in the Language Camp. Team housing was in a resort hotel the first week and school dormitory the second week. Lydia Melusova, Slovak partner, was instrumental in making all the in-country arrangements.

ESTONIA

The Estonia team of 10 Americans had the experience of beginning a new camp in Saaremaa where they had 30 participants. Their second week was in Tartu with 60 participants. EEMN National Field Coordinator, Pastor Bob Nordvall, is the team leader and several on the team have served in past years. Our Estonia partner, Pr. Siimon Haamer, does a wonderful job making the in-country arrangements.

**In His service,
Donna Bogott
2015 Short-Term Missions Coordinator**

DIRECTOR'S NOTE

Please join me in thanking Donna for volunteering as STM Coordinator for the 2015 missions season; and thank YOU for your support and prayers while she served! Please also join us in welcoming Angela Breidenbach, as she takes the helm in coordinating the STM trips for EEMN and in administrating training for all of our missions teams in 2016!
